

STIFEL

Stifel Heavy Calico

Stifel quality, the standard work shirt and work dress material for over 75 years. Quality always the same—our price is lowest. Very much heavier in weight than ordinary calico; closely woven and dyed genuine indigo blue. Stands washing and hardest kind of wear.

38K1194—Width, 32 inches. (1) White dot on navy blue; (2) White figure on navy blue, or (3) White stripes on navy blue. Order by catalog number and mention pattern number. **17½c** A YARD. Shipping weight, per yard, 5 ounces.

Stifel Twilled Shirting

For sturdy, tough, long wear work shirts. It's the same old reliable Stifel quality and our price is lowest. Extra heavy weight, well twilled; dyed genuine indigo blue. A favorite for men's shirts and overalls and women's work dresses.

38K1196—Width, 28 inches. (1) White dot on navy blue; (2) White figure on navy blue or (4) White stripes on navy blue. Order by catalog number and mention pattern number. **19½c** A YARD. Shipping weight, per yard, 5 ounces.
